Please join our family in raising money to build a miracle field in Horsham. Our daughter, Lauren, was born in 2003 with Trisomy 13. Against all odds, our little angel lived for three amazing years before passing away on April 27, 2006. Lauren was an inspiration to all who met her. As you can imagine, building a baseball field for disabled children is a cause which our family holds close to our hearts. That is why we wanted to honor Lauren by hosting a 5k/1-mile Family Fun Walk and donate the proceeds to the building of the miracle field.
